“Things” You Need To Know

- If any camper chooses to disobey our rules & regulations appropriate measures will be taken. All school board policies and band policies will be in effect. (Read your hand book if you have any questions) * **Exception: Student’s shorts do NOT have to be knee length but they do have to be modest and appropriate.**
- Your medicine must be turned in to the medical staff with a note with specific instructions.
- All 9th grade band members (FISH) will need to bring a baby picture when you register for Beaver’s Bend
- We will be having our annual skit night on Thursday night so be thinking about what your cabin might want to do and bring what you need to perform.
- Students that leave on Thursday night with their parents must bring a written note to the band director stating that he/she will be leaving with their parents. **(These students must come to the band hall on Friday to help unload all equipment and instruments)**
- Students are not allowed to take or ride in any vehicles other than those provided by the school without director permission.
- **All students** must stay at the band hall and help unload and put up equipment after we return home from our camp. This usually takes about 45 minutes after we arrive.
